Dear Dr. Welz,

The State Veterinary and Food Administration of the Slovak Republic would like to inform you, that the 44-th campaign of oral antirabic vaccination of foxes takes place from 15-th to 30-th October 2021. This autumn campaign will be carried out by plane on territory of the Slovak Republic from airport Poprad (see attached map).

The vaccination area is covering the parts of the Slovak territory which have been approved within eradication programme of rabies for 2021.

Yours sincerely
